

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF GAS AND ELECTRIC RATES)	
OF LOUISVILLE GAS AND ELECTRIC COMPANY)	CASE NO. 10064

O R D E R

On November 23, 1987, Kentucky Industrial Utility Customers ("KIUC") filed a motion, pursuant to 807 KAR 5:001, Section 3(8), seeking full intervention status in this proceeding. The motion states that KIUC is a group of large industrial customers authorized to do business in the Commonwealth of Kentucky and that some members of the group are customers of the Louisville Gas and Electric Company ("LG&E"). On November 24, 1987, LG&E filed an objection to KIUC's intervention on the grounds that KIUC is not a customer of LG&E and the motion to intervene fails to reveal the names of those LG&E customers who are members of KIUC and in whose behalf KIUC seeks intervention.

On December 11, 1987, KIUC filed a notice setting forth the names of 12 industrial customers who are members of KIUC and in whose behalf KIUC seeks leave to intervene. In response to KIUC's notice, LG&E filed on December 14, 1987, a pleading alleging that KIUC's notice is deficient and suggesting that the Commission take no action thereon.

Based on the pleadings of record and being advised, the Commission is of the opinion and hereby finds that KIUC's motion

to intervene on behalf of those industrial customers named in its notice should be granted.

IT IS THEREFORE ORDERED that KIUC be and it hereby is granted full intervention status.

Done at Frankfort, Kentucky this 17th day of December, 1987.
